Submission Guidelines

- Flowers will be judged as freshly cut. Unless otherwise instructed all cut flowers will be disposed of at end of fair.
- An exhibitor cannot compete against themselves. There shall be only one (1) entry per person, per category, but you may enter as many categories as you like. For example-you can enter 1 petunia, 1 floribunda rose, & 1 miniature rose (NOT-1 blue petunia, 1 red petunia & 1 double petunia. If no competition in a category awards will be made on merit).
- Exhibitors must furnish their own containers. The container must be a clear pint or quart jar, in the case of a rose/gladiolus, use a clear pop bottle/bud vase. If the exhibitor would like to have their container returned it must be labeled with their name and must be picked up at the designated date and time for exhibit pick up. The Fair Board and Superintendents will not be responsible for loss or breakage.
- All entries in The Flower Department must be correctly named and identified and each entry must have a exhibit tag attached.
- All plants and flowers must be grown by exhibitor.
- Be Sure the count is accurate and the correct amount required by guidelines.
- Exhibits will all be **AS SPACE ALLOWS**.
